

CREATE. INNOVATE. ENGINEER.

**Tech Wizards, Inc.** (TWI) is a primary provider of U.S. Navy STAVE-CS (Surface Training Advanced Virtual Environment - Combat Systems) solutions, with expertise in delivering high-fidelity, lightweight, and cost-effective Virtual Maintenance Trainers (VMTs). TWI's rapid growth is attributed to its commitment to delivering high-quality systems and software engineering services. With locations in Dahlgren, VA, and Lexington Park, MD, TWI boasts a leadership team that facilitates comprehensive life cycle support. The company excels in employing state-of-the-art processes to develop scalable, extensible, and maintainable solutions for government and commercial clients.
